The power of Rotary

Did you know that Rotary played a leading part in setting up:

The United Nations Organisation; International Houses in universities; Australian Rotary Health Research Fund; Rotarians Against Malaria; Australian National Science Schools; Rotary Youth Driver Awareness Program; Medica Alert; Polio Eradication Program; Bowelscan; Police Officer of the Year ... to mention but a few of its exciting programs.

The Rotary way is to recognise a need, organise resources, and implement solutions in efficient ways.

Members' skills, networking capacities, and enthusiasm are the chief components for their achievements.

PROJECTS CAN BE BASED
LOCALLY
NATIONALLY
INTERNATIONALLY

Rotary builds peace and goodwill around the world

Dr Eugenio Neri Jr Memorial Hospital, Philippines

Who are Rotarians?

Rotarians are people who share their time and energy to help the community ... and have fun doing it. A world-wide organisation, Rotary is made up of men and women across professions, vocations, and community services. They are recognised by the little gold and blue wheel badge that they wear. In Australia there are more than 34,000 members in 1,200 Rotary clubs in towns, cities and small communities. Across the world, there are 1.2 million members ready to give "Service Above Self".

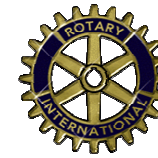

Interested?

Membership is by invitation following guest visits to a club and an explanation of the commitment and expectations of Rotarians. Should you not know a local Rotarian, then a call to a member noted below will provide an invitation to attend a meeting. You can learn more about the Rotary Club of Padstow by checking out the Club website at:
