- Group Study Exchange is all about the promotion of goodwill and international service. RI are encouraging clubs to engage in twin club approaches to projects and the two Padstow clubs are a good example of this in action with their project in Nepal.
- Presented a "Lend a Hand" banner to President Joan.

PDG Ken Nichols:

Padstow Club's assistance at DIK on Saturday 28th March was invaluable and helped raise \$851.00 from Simsmetal.

Paul Spenser

- Paul the Padstow club for its warm welcome. Les Conley was the original contact between the two clubs. The chess contest between north and south went on for many years. Once again the two Padstows are cooperating in a project in Nepal.
