Garry Metcalfe : Volunteers required to pack ROK kits at the Bonds on Saturday 7<sup>th</sup> Oct at 5.00pm

Cliff Dailey : Asked if we could help a very Community minded person Norm Perry, who has helped hundreds of local kids to participate in sport. He requires about \$300 a year to continue this program . We will ask him to be a guest speaker and hear the details of his request.

Barry Thompson has been in Evanston on R.I .business and is pleased to report that at long last a woman has been elected to the Board of R.I.

We had no guest speaker so as our Anniversary is approaching we re- visited some of the many of our past deeds and special social functions by means of video and it was a great success.

We learnt recently why the French eat snails.  
They don't like fast food.

I had been teaching my three-year old daughter, Caitlin, the Lord's Prayer for several evenings at bedtime, she would repeat after me the lines from the prayer. Finally, she decided to go solo. I listened with pride as she carefully enunciated each word right up to the end of the prayer:  
"Lead us not into temptation," she prayed,  
"but deliver us some E-mail.

*President Keiths Thought for the Week  
History gives us a kind of chart, and we dare not  
surrender even a small rush light in the darkness .  
The hasty reformer who does not remember the past  
will find himself condemned to repeat it.*
