President’s Report on Charity Golf Day held 6th March

The Rotary Club of Padstow- Inaugural Golf Day

It is always a risk when we try something new, particularly when we commit to expenses; however a lot of thought and preparation went into the day and knowing that, I was quietly confident of a successful venture. The day was rewarding from a fund raising initiative but also in raising the profile of Padstow rotary, the two charities both relating to Youth were well represented, the players and sponsors had a really good time and our members thoroughly enjoyed themselves.

The Bankstown Golf Club were so pleased with the effort of the committee that they have pledged their support to us again next year and hope to make it an annual event, with their involvement and contacts in the local corporate bodies we feel we can make this day a major fund raising event for our club.

I am very pleased for Allan Sweet, Allan has wanted to hold this for some time now and the day must have been very satisfying for you Allan. For me as President it was rewarding to see everyone so involved, our senior members did what they always do of course and to you our more recent members your enthusiasm reinforced for me what Rotary stand for. Charles, Kay, Julie and John thank you so much. Indeed my respects to all of you who put so much time and effort into this day, organizers, sponsors, players and helpers. Allan, Colin, Maurie, Charles and John you have a job again next year.

The Golf Day is not our only success, all the programs we are involved in, The Markets, Padstow on Parade, BBQ’s, Christmas Trailer to mention but a few have all been successful, I am pleased to be able to represent such a great club and great people, the year gets better every week.
