Ode to the Stock Market

Stock market, stock market

I'm down on my knees, you've got to recover

I'm begging you please.

I'd gotten used to easy cash

My wife and I had quite a stash.

Stock market, stock market, please go higher,

If you crash we can never retire.

Life is short. Break the rules.

Forgive quickly. Kiss slowly. Love truly.

Laugh uncontrollably. And never regret anything that made

you smile

Rotary Grace

O lord and giver of all good

We praise Thee for our daily food

May Rotary friends and Rotary ways

GENERAL BUSINESS

Barry Thompson

2-3 months ago discussed changes to District Regulations in back of District Directory. Lauren and Mike Kenny went as Electors 2 meeting but it was called off. Document with the proposed amendments has been sent to every club for a mail ballot. Proposal was to re-write the regulations to consolidate them and make minor grammatical corrections so that they would be easier to understand and regulations could be found easier. An instance of one of the minor changes was to change "account" to "fund". A copy will be available to circulate. Easier to bring into line with District Rules for Incorporation.

Barry moved to vote in favour – passed unanimously.

Joan is now feeling very much better.

Peter Townsend

Put forward to Club the proposal to buy a portable PA system for \$459 for use at Padstow on Parade, Markets, Meetings etc. To Board for consideration.

Joan Wells

Would like to bring in more food outlets for markets.

(Terry Pedder) We shouldn't go into competition with local shops at Panania.

(General discussion) Times have changed. If several more food vendors want to come in, bring them in – if there is room now, they can come in now, if not next year.

Melinda Heywood

Can we send a Shelterbox to India?

(Mike Kenny) There are 2 boxes budgeted for this year and we can't say where it goes but we can send one soon.

Ken McMillan

3 nominees from East Hills Girls Technology High School for Siemens Summer Science Experience accepted – we now have six.
