He leans over to the big woman next to him at the bar and says, "Do you wanna hear a funny blonde joke?"

The big woman replies, "Well, before you tell that joke, you should know something. Sure, I'm blonde, but I'm also 1.9m tall, weigh 100 kgs, and I'm a professional triathlete and bodybuilder. The blonde woman sitting next to me is 2m tall and 110 kgs; and she's a professional wrestler. Next to her is a blonde who's 2.1m, weighs 120 kgs, and is a professional kick boxer. Now, do you still want to tell that blonde joke?"

The guy blinks, swallows, and thinks about it for a second, then says; "No, not if I'm going to have to explain it three times."

Joan Wells – Club Administration

- Markets went well. We had 43 stalls and I am receiving quite a few phone calls from people who are interested for next month. Some are quite different from the normal run of stallholders so I am slowly getting a list together, for example:
 - organic tea and coffee by the cup or bulk
 - shoes, lingerie individually fitted, and
 - garden ornaments.
- I have booked the accordionist for next month and received several other names of entertainers.

Garry Metcalfe – Rotary Foundation / International Service

- Attended Presidents Meeting last Friday at Penrith Panthers. We were given a great presentation on all aspects of RAWCS by Veronica's team and Chairman Geoff Woods. PDG Jennifer Scott spoke on The Foundation. There was an urgent request for volunteers for a Water Project in New Guinea. . Garry to investigate further.
 - (President Mike) We need to make sure we get more details of these projects. Veronica will make sure.

- 4 volunteers required for RYDA at Penrith on 20th November for Peakhurst High School.

- Suggest the Club purchase \$100 worth of Pantomime Tickets for deserving families such as The McCartens, carers etc. (Carer's week is the 24th of November.) The carers are holding an "Aussie BBQ", all welcome.
- I have been approached by some young people from outside the district to open a new Rotary club in Revesby to meet at the Revesby Workers Club. Some of these people are ex- Rotaractors. Would Padstow club be the mentor?
