Help Me, Doctor

A man told his doctor that he wasn't able to do all of the things around the house that he used to do. When the examination was complete, he said, “Doctor, tell me in plain English. What's wrong with me?” “Well”, responded the doctor, “in plain English, you're just lazy”. “Okay”, said the man, “now what's the medical term so I can tell my wife?”

President's Message

In his April message, RI President Dong Kurn Lee says, "It is a time to recognize the role that our Rotary publications play in our Rotary lives -- and the role that we should play in our publications. For the magazines to live up to Paul Harris' original vision, it takes more than just an editorial staff: It also takes the good work of Rotarians."
