

- Married at 18. Moved to Padstow in 1966.
- Has 3 children.
- Ran gymnastics at Padstow Youth Club.
- Managed the office at St Josephs for 22 years.
- Lucas Heights Commercial School 2 years.
- Worked for Daryl Melham until retirement in 2005 (because of husband's illness).
- Has 5 grandchildren with the oldest 21 yo.

Barry Thompson

- I was born in Lidcombe, brought up in Berala and went to school at Homebush Boys High. I then attended Granville technical College to study science, ultimately graduating from the University of NSW. While studying I worked for the Australian gas Light Company as a research officer, moving on to Taubmans Industrial Coatings as a product development officer. From there I joined a small company manufacturing special printing inks until we were bought out by a British company, Mander Kidd Printing Inks. Retiring as managing director I became a lobbyist for the general aviation (non-airline) industry. I was then asked to join the Federal Airports Corporation to assist in development of the airports for privatisation, completing that career as acting general manager of Sydney Airport.
- I joined the Rotary club of Padstow in 1978, becoming President in 1981/82 and again in 2004/2005. I was Governor of District 969 in 1985/86 and was a member of the Rotary International Board of Directors in 1996/98, being Treasurer in 1997/98. Subsequently I was appointed as a member or chairman of several Rotary International committees, currently being chairman of the RI Strategic Planning Committee. I have been fortunate to visit 33 countries on Rotary business, have attended 14 RI Conventions and represented the President of RI at 18 district conferences.
- Still for me the most important Rotary position is as an ordinary member of the Rotary Club of Padstow.

Kevin Bouffler

- Bob Mather invited Kevin to join Club in 1961.
- Born in Newcastle.
- Worked in London.
- Bought business in River Road Revesby.
- Has 4 boys.
- Retired and has taken a few trips.
- Greatest thrill in life is Rotary.
