One year, I decided to buy my mother-in-law a cemetery plot as a Christmas gift...

The next year, I didn't buy her a gift.

When she asked me why, I replied,
"Well, you still haven't used the gift I bought you last year!"

And that's how the fight started.....

I asked my wife,
'Where do you want to go for our anniversary?'

It warmed my heart to see her face melt in sweet appreciation.

'Somewhere I haven't been in a long time!' she said.

So I suggested, 'How about the kitchen?' And that's when the fight started.
